About the CIS Band Booster Club

The CIS Band Booster Club is a 501 (c)(3) tax-exempt organization and our purpose is to support the Creekside Intermediate Band Program. We will kick-off the new school year with the annual MEMBERSHIP DRIVE. Our goal this year is 100% MEMBERSHIP of parents of all children enrolled in the Creekside Intermediate Band program. Membership dues are annual and your family need only join once a year regardless of the number of children currently enrolled in the CIS band.

Our Band Booster Club gives you an opportunity to get involved with your children and to show them that you care about their musical interests. Club members are given opportunities to serve as chaperones for the trips, events, and contests throughout the year. We assist the band directors in planning and running various social activities such as the lock-in and pool party.

One of the most important contributions to our children's band experience is financial. Our annual dues and periodic fund-raisers provide the money to purchase the Creekside Band equipment, continue our support of the private lesson financial aid fund, funding clinicians for the performing bands and beginners, and provide for activities not covered financially by the school district.

You may join the Band Booster Club by filling out the information on this form and returning it to a band director.

Our Booster Club Officers are:
President – Jennifer Delaney; Vice-President – Ryan Zwicky; Secretary – Heather Valadez; Treasurer –Doaa Abdelrahman
