Creekside Band Private Lesson Scholarship Application

To the Parent/Guardian _____.

Thank you for considering private lessons as a part of your child's instrumental education. The benefits of private lessons will enhance your child's musical abilities and will help to continue and encourage proper development. On a limited basis, the Creekside Int. Band Booster Club may be able to offer financial aid for part of the private lesson funds for the 25-26 school year.. Criteria for maintaining private lesson financial aid are as follows:

- Attend each lesson prepared with any assignment as outlined by the instructor
- Attend each band class prepared as outlined by the band director
- Turn in assignments on time
- Attend band sectionals (7th/8th grade) as scheduled by the band director
- Maintain passing grades in all classes
- Maintain proper conduct

Band directors will monitor these criteria throughout the school year. Students may be removed from financial aid assistance for not adhering to the above requirements.

As per CCISD policy, 24-hour advanced notice must be given for a student to receive an excused absence (this includes lessons missed for school field trips or other school events). The CIS Band Booster Club will not pay for unexcused absences. Unexcused absences will be fully paid for by the parent. If your child is ill, please notify the instructor as soon as possible

Please keep this page for your records.
